

## INDEX

### Volume 41 including Supplements

- Acerodermatitis enteropathica in cystic fibrosis of the pancreas, cortisone treatment in, 483
- Acrodynia, after calomel ingestion, 158
- ACTH, clinical experience of, 606
- effect of, on the circulating eosinophils in infants, 393
- treatment of juvenile rheumatoid arthritis, 145
- of lupus erythematosus disseminatus, 478
- Albumin in the serum of newborn infants, 613
- Alkyl mercury poisoning, 289
- Aminoaciduria, clinical findings in, 334
- Andersson, B. and Tandberg, O., 162
- Andersson, Å., 605
- Angiomatosis in infants, 604
- Anorexia, psychogenic, and hyperorexia among siblings, 360
- Antitoxin, effect of ultraviolet light on the formation of, 417
- Arajärvi, T. and Zilliacus, H., 260, 267
- Arthritis, rheumatoid juvenile, ACTH treatment in, 145
- Asphyxia of newborn due to diaphragmatic hernia, 527
- Asthma, juvenile, vaccinal treatment of, 608
- Aureomycin, influence on fat retention in children, 316
- Bacteriological samples, comparison between pharyngeal and nasopharyngeal, 607
- B.A.L. treatment of acrodynia, 158
- Basal metabolism in normal infants, determinations of, suppl. 89
- BCG-vaccination, effect of carbon-arc therapy on development of tuberculin sensitivity, 424
- hemagglutination studies in, 61
- Bengtsson, E., 501
- Berfenstam, R., 32, 297, 310, 389, Suppl. 87
- Bergstrand, C. G. et al., 393
- Bergström, Z. L., 613,
- Bille, B. S. V., 380
- Bjelkhagen, I., 74, 87
- Bloch, Carl Edvard (In Memoriam), 505
- Blood, carbonic anhydrase activity in, of premature infants, 297
- panhematopenia in hypersplenism, 500

- pyruvic acid concentration, in children with convulsive fits and petit mal, 406
- red blood corpuscles, resistance of fetal, 610
- intravascular aggregation in erythroblastosis foetalis 267
- infected newborns 260
- thrombopathy (Willebrand-Jürgens), 610
- zinc, studies on, 389, suppl. 87

#### Book reviews:

- Communications et Discussions du XIIIe Congrès des Pédiatres de Langue Française, Paris, 1952, 615
- Gasser, C., Die hämolytischen Syndrome im Kindesalter, 295
- de Groot, J. W. C., Angiocardiography as a Diagnostic Aid in Congenital Heart Disease, 392
- Görgényi-Göttche, O., Tuberkulose im Kindesalter, 206
- Heyuer, G., Miller, E. and Soddy, K., Psychiatrie sociale de l'enfant, 615
- Künzer, W., Über das Blutfarbstoffwechsel gesunder Säuglinge und Kinder, 296
- Levine, S. Z., Advances in Pediatrics, Vol. 5, 616
- Parnelee, A. H., Management of the Newborn, 614
- Romeo, G., Tesaurosmosi Glicogenica, 616
- Selye, H., Annual Report on Stress, 100
- The Story of the Adaptation Syndrome, 616
- Thomas, E., Die innersekretorischen Krankheiten des Kindes und ihre Behandlung, 205
- Brandt, S. et al., 167
- Breast feeding, prognosis of in relation to the initial amount of maternal milk, 449
- Briandt, L. M., 499
- Bronchial changes in primary tuberculosis in children, 498
- Bruch, Hilde, psychogenic obesity in children with special reference to the theory of, 574
- Carbon-arc light therapy, effect on the development of immunity, 415
- Carbonic anhydrase activity in children, 32, 297
- in fetal organs, 310
- Carlens, E. and Hellström, B., 498
- Casein dry milk in dyspepsia, 611
- Central nervous system, postvaccinal complication from, 499
- Cerebrospinal fluid in infantile diarrhoea, 437
- Children's hospital, educational problems in, 192
- use of ultraviolet rays at, 499
- Choline, influence on fat retention in children, 316
- Christensen, E. et al., 167

- Claw hand in gargoylism, its pathology and treatment, 563
- Convulsions, pyruvic acid concentration of blood in children, 406
- Cortisone treatment, experiences of, 606  
     of Hand-Schüller-Christian disease, 282  
     of skin involvement, acrodermatitis enteropathica in cystic fibrosis of the pancreas, 483
- Cystic fibrosis of the pancreas, cortisone treatment of skin involvement in, 483
- Cystin storage disease in siblings and aminoaciduria, new clinical findings in, 334
- Danielsson, M., 200
- Development, effects of dystrophy in infancy on the child's later —, 510
- Diabetes, prognosis for mothers and their children, 503
- Diagnosis of chronic aminoaciduria with cystinosis, 334  
     clinical and roentgenologic of rickets, 200  
     and treatment of acute osteomyelitis, 605
- Diaphragmatic hernia as cause of asphyxia in newborn, 527
- Diarrhoea, infantile, cerebrospinal fluid in, 437  
     effect of potassium treatment in, 238  
     casein dry milk in, 611
- Diet, low fat, influence on fat retention in children, 316
- Diphtheria, effect of immunization on newborn prematures, 53
- Dupont, A. and Keiser-Nielsen, H., 222
- Dysplasia, ectodermal, 229
- Dystrophy in infancy and its effects on the child's later development, 510
- Educational problems in a children's hospital, 192
- Edwards, P. G. et al., 415
- Electrocardiography, oesophagus-, in children, 501
- Electroencephalography, experiences with photic stimulation in, 604  
     investigations of acute infective diseases, 498
- Encephalitis in infectious mononucleosis, 608  
     in varicellae, 614
- Encephalography, misleading results in, 167
- Enell, H. and Hahn, B., 604
- Engleson, G. and Herner, T., 289
- Eosinophils, effect of ACTH on, in infants, 393
- Epilepsia, pyruvic acid concentration in blood 406
- Erythroblastosis foetalis, intravascular red cell aggregation in, 267
- Escherichia coli 55:B5:6 in intestinal canal of infants treated with lactobacillin milk, 222
- Estrogenic ointment, signs of sexual precocity in a male infant, 177

- Fat absorption in children, 207, 316, 325  
 retention, influence of propylene glycol, lecithin, choline, aureomycin  
 and low fat diet, 316  
 tolerance tests, 325
- Feeding, infant, the necessity for less routine in, 612
- Feuillen, Y. M. and Plumier, M., 138
- Fibroplasia, retrolental, 87  
 animal experiments, 577  
 appearance of fundus oculi in early stages of, 463  
 in Sweden, 74
- Foetus, carbonic anhydrase activity in organs, 310  
 red blood corpuscles, resistance of, 610
- Foght-Nielsen, K. E. et al., 415
- Fränkel, F., 608
- Gard, S. et. al., 15
- Gargoylism, 98  
 claw hand in, its pathology and treatment, 563  
 with specific cutaneous deposits, 162
- Gastric ulcer in infants, 502
- Goiter, congenital, 114  
 sporadic in childhood, and iodine, 556
- Granrud, H. B., 510
- Grönroos, J. A., 249
- Gyllensten, L. J. and Hellström, B. E., 577
- Hackzell, G., 607
- Haemophilus influenzal meningitis, chloramphenicol treatment, 249
- Hagberg, B., 610
- Hagberg, E. et al., 15
- Hahn, B. and Enell, H., 604  
 and Karlén, K. H., 606
- Hallman, N., 238  
 and Tähkä, H., 437
- Hand-Schüller-Christian disease treated with cortisone, 282
- Hansen, K. G., et al., 415
- Heart, postoperative course in morbus coeruleus, 518  
 traumatic disease in a 6-year old girl, 185
- Hedqvist, T., 608  
 et al., 518
- Heinild, S., 538  
 et al., 415
- Hellström, B. and Carlens, E., 498  
 and Gyllensten, L. J., 577  
 et al., 393

- Herlitz, G., 556  
 Herner, T. and Engleson, G., 289  
 Herpangina, 501

# VIII

- Lactation, prognosis in relation to amount of mother's milk during the first week, 201
- Lagercrantz, R. et al., 57
- Landtman, B. et al., 518
- Laurell, G., 124
  - and Ronge, H., 499
- Lecithin, influence on fat retention in children, 316
- Lind, J. et al., 57
- Lindahl, J. and Johnsson, T., 501
- Lindquist, B., 599, Suppl. 86
- Lindquist, N., 502, 503, 504
- Lipochoondrodystrophy see Gargoylism
- Lipoids in the serum of newborn infants, 613
- Lodding, C., 406
- Lundström, R., 583
- Lupus erythematosus disseminatus treated with ACTH, 478
- Lymphadenosis in toxoplasmosis, 606
  
- de Maestri, A. and Sansone, G., 101
- Magnus, K. et al., 415
- Magnusson, J. H. et al., 15
- Malmgren, B. R., 608
- Mannheimer, E. et al., 518
- Measles, re-infections in, 276
- Mediastinum, visualization of, after insufflation in the peridural space, 101
- Melin, K. A. and Herrlin, K. M., 604
- Menarche age of Finnish women, 595, Suppl. 84
- Meningitis, influenzal, chloramphenicol treatment in, 249
- Mercury (alkyl), poisoning, 289
- Metabolism, basal, in normal infants, Suppl. 89
  - iron, in infants, 138
  - of radiocalcium in rachitic rats, effect of vitamin D on, 599, Suppl. 86
- Middlebrook-Dubos test in active tuberculous infections, 57
- Milk, amount of mother's during the first week and prognosis of lactation, 201
  - dry casein-, in dyspepsia, 611
  - influence of heat treatment, on fat retention in premature infants, 207
  - iron content of, 138
  - lactobacillin-, *Escherichia coli* 55: B5: 6 in intestinal canal of infants treated with, 222
- Mononucleosis, infectious, encephalitis in, 608
- Morbus coeruleus, postoperative course in, 518
- Muscular activity, influence on pyruvic acid estimations in infants, 406

- Nephronophthisis, familial juvenile, case of, 607
- Nervous system, central, involvement in varicellae, 614  
   infectious mononucleosis, 608  
   postvaccinal complications, 499
- Neurolabile infants, colonic hyperperistalsis in, 596, suppl. 85
- Newborn, albumin and lipoids in the serum of, 613  
   diaphragmatic hernia as cause of asphyxia in, 527  
   with infections, intravascular red cell aggregation in, 260
- Niemann-Pick's disease, 355

- Pneumoencephalography, misleading results of, 167
- Poisoning, alkyl mercury, 289
- Postvaccinal complication from the central nervous system, 499
- Potassium therapy in severe infantile gastroenteritis, 238
- Pregnancy, effect of rubella on perinatal mortality, congenital abnormalities and immaturity, 583
- Prematures, appearance of fundus oculi in early stages of retrolental fibroplasia, 463  
   carbonic anhydrase activity in, 32  
   fat retention, influence of heat treatment on milk, 207  
   newborn, effect of diphtheria immunization, 53  
   possibilities of influencing the carbonic anhydrase activity in the blood, 297  
   principles of treatment and results, 1  
   weight of thyroid gland in, 112

## Proceedings:

Pediatric Society of South Sweden

February 17, 1952, 612

June 8, 1952, 613

Section for Pediatrics and School Hygiene of the Swedish medical Society,

September 23, 1951, 200

February 8, 1952, 604

March 14, 1952, 606

April 26, 1952, 608

May 21, 1952, 609

Prognosis of breast feeding in relation to initial amount of maternal milk, 449

diabetic mothers and their children, 503

Propylene glycol, influence on fat retention in children, 316

Pseudohypoparathyroidism, 380

Psychogenic obesity in children with special reference to Hilde Bruch's theory, 574

Psychosocial pediatrics, present-day tasks in, 538

Pyruvic acid concentration in blood from children with convulsive fits and petit mal, 406

Quaade, F. et. al., 574

Remvig, O., et al., 145

Resistance of fetal red blood corpuscles, 610

Reticuloendothelial granuloma, cortisone treatment of, 282

Retrolental fibroplasia, see Fibroplasia, retrolental.

Rheumatoid arthritis, juvenile, ACTH in the treatment of, 145

Rickets, effect of vitamin D on the metabolism of radiocalcium in rachitic rats, 599, Suppl. 86

four years study of, 200

renal, 610

Rollof, S. I. et al., 57

Ronge, H. and Laurell, G., 499

Rubella during pregnancy, 583

Sansone, G. and de Maestri, A., 101

Scheibel, I. et al., 415

Serum of newborn infants, albumin and lipoids in, 613

Sexual precocity, signs of in a male infant due to estrogenic ointment, 177

Simell, G., 595, Suppl. 84

Sjölin, K. E., 99

Sjölin, S., 610

- Sjölin, S. and Skoog, T., 563
- Skin, cortisone treatment of acrodermatitis enteropathica, 483
- cutaneous deposits in gargoylism, 162
- ectodermal dysplasia, 229
- juvenile xanthoma, 373
- lupus erythematosus diss., treated with ACTH, 478.
- primary tuberculosis of, 503
- Skoog, T. and Sjölin, S., 563
- Sleep treatment in severe cases of tic, 611
- Sprechler, M. et al., 145
- Stendahl, H., 503
- Streptococcal infections in infants' wards, control of, 124
- Ström, J., 500
- Supplements:
- Berfenstam, R., Studies on Blood Zinc. A clinical and experimental investigation into the zinc content of plasma and blood corpuscles with special reference to infancy. No 87. ✓
